

3 Year Degree Plan

Start early.

Earn college credit in high school.

Advanced Placement (AP) courses are advanced classes offered in high school that count towards graduation. Students can earn college credit by taking Advanced Placement (AP) courses in high school and then scoring at least a '3' on an AP exam.

Post-Secondary Enrollment Options Program (PSEOP) (aka "dual enrollment") allows high school students to simultaneously earn college credit and high school graduation credit through successful completion of college coursework.

Career-Technical Credit Transfer (CT²) allows high school and adult career-technical students to enter public colleges and universities with credits in-hand, saving students money and time.

Early College High Schools allow students to earn both a high school diploma and up to two years of college credit. Early college high school programs have been started in Akron, Canton, Cleveland, Columbus, Dayton, Elyria, Toledo and Youngstown.

Pay less.

Low cost, high quality.

The **Forever Buckeyes** program extends the in-state college tuition rate to any Ohio public or private high school graduate who left Ohio but returns to enroll in an undergraduate or graduate program.

Ohio has created a network of **Low Cost Pathways** — high-quality, low-cost campuses offering associate and bachelor's degrees — within 30 miles of every Ohioan.

Credit Transfer Guarantees ensure that many courses and programs taken at one Ohio public institution will transfer to other Ohio public institutions.
