

Middle Childhood Generalist Endorsement Grades 4-6

Middle Childhood Generalist valid for teaching all core academic content areas in grades four, five, and six; may be added to a middle childhood license with two concentration areas upon evidence of completion of an additional six semester hours of study in each of the content areas to be added, aligned with the state academic content standards; evidence of preparation in pedagogy in each of the additional content areas; and successful completion of the prescribed examination.

Ohio Educator Licensure Standards for Grades 4-6 Middle Childhood Generalist Endorsement

Performance-based standards

Ohio requires performance-based programs and program reports which must include candidate performance assessments. Performance-based assessments should be appropriate for the standards including multiple forms of measurement, and measurement at multiple points over a candidate's progression through a program.

Licensure Rule 3301-24-05 (E) (9)

Middle Childhood Generalist valid for teaching all core academic content areas in grades four, five, and six; may be added to a middle childhood license with two concentration areas upon evidence of completion of an additional six semester hours of study in each of the content areas to be added, aligned with the state academic content standards; evidence of preparation in pedagogy in each of the additional content areas, and successful completion of the prescribed examination.
