

Calculation of Course Completion and at risk rates and weights for under graduate, including high school, enrollments in FY 2009 and 2010																						
At risk is Financial: EFC < \$2,190 in any of the latest 3 years											DRAFT *** DRAFT *** DRAFT											
Academic: ACT score 17 or less in either English or Math for students who took the ACT and students who completed any developmental courses for students with no ACT.																						
Note: for students starting in summer or fall 2008 or later we do not yet have their ACT tests.
