### REQUEST AND RECOMMENDATION

#### TRUMBULL BUSINESS COLLEGE

Institutional Reauthorization

**Request:**

Trumbull Business College requests continued authorization from the Chancellor of the Ohio Board of Regents.

**Profile and Accreditation/Authorization:**

Trumbull Business College is a two-year, private for-profit institution. Originally established in 1972, the college today serves over four hundred students by offering occupational associate degrees. Trumbull Business College is accredited by the Accrediting Council for Independent Colleges and Schools (ACICS) and is registered with the State Board of Career Colleges and Schools (SBCCS). The institution has been authorized by the Chancellor since August 2011.

**Program Offerings:**

Trumbull Business College offers Associate of Applied Business and Associate of Applied Science degrees.

**Institutional Changes:**

Since the college's last review for initial authorization, the institution expanded program offerings to better meet institutional and student needs.

**Recommendation to the Chancellor:**

Trumbull Business College meets the Chancellor's standards and the staff recommends continued institutional authorization through December 31, 2018 to coincide with the institution's next accreditation reaffirmation review with the Accrediting Council for Independent Colleges and Schools. The Chancellor may, in his judgment, withdraw authorization or require additional review if the institution fails to continue to meet the Chancellor's standards for authorization or is sanctioned by ACICS or SBCCS.
