

REQUEST AND RECOMMENDATION

Ashland University Multi-Age (PK-12) French License

Request:

Ashland University requests approval to offer a baccalaureate level program leading to the Ohio Multi-Age (PK-12) French License.

Profile:

Ashland University is a private comprehensive university affiliated with the Brethren Church that was founded in 1878. The university has a specific mission to educate and challenge students to develop intellectually and ethically, to seek wisdom and justice, and to prepare for the rigors of living and working as citizens aware of their global responsibilities. Located in Ashland, Ohio, the university has an enrollment of more than 3,000 undergraduate and nearly 2,700 graduate students.

Accreditation/Authorization:

Ashland University is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2019. Ashland University's educator preparation programs are accredited by the Council for the Accreditation of Educator Preparation (CAEP) until the next review in 2020.

Background:

Ashland University is submitting its request to ensure program alignment with Ohio standards and requirements. Programs leading to the Multi-Age (PK-12) French License are valid for teaching students in prekindergarten through grade 12. Ashland University offers the program leading to the Multi-Age (PK-12) French License at the baccalaureate level.

Recommendation:

Ashland University's Multi-Age (PK-12) French License preparation program meets the Chancellor's requirements for program approval and the State Board of Education's minimum standards for baccalaureate level programs leading to the Multi-Age (PK-12) French License. Approval is recommended for Ashland University's baccalaureate level program leading to the Multi-Age (PK-12) French License until the fall 2025 review cycle. The Chancellor may, in his judgement, withdraw approval or require additional review if Ashland University fails to meet the Chancellor's standards for licensure programs or receives a sanction by CAEP. Over the past three reporting years, fewer than ten candidates have completed the program. Due to the small number of completers in the program, the Ohio Educator Preparation Program Performance Reports could not be considered in the review process to determine acceptable or unacceptable ranges.
