

REQUEST AND RECOMMENDATION

The College of Wooster

Adolescence to Young Adult Science: Physical Sciences: Chemistry, Physical Sciences: Physics, Life Sciences, and Earth Sciences (7-12) New Program Proposal

Request:

The College of Wooster requests approval to offer undergraduate level programs leading to the Ohio Adolescence to Young Adult Science licenses for the following content areas: Physical Sciences: Chemistry, Physical Sciences: Physics, Life Sciences, and Earth Sciences (7-12). This submission ensures program alignment with Ohio standards and requirements. Programs leading to the Adolescence to Young Adult Science (7-12) licenses are valid for teaching in grades seven through twelve.

Profile:

The College of Wooster is a private, not for profit, liberal arts institution. The college was founded in 1866 with a specific mission to prepare students to become leaders of character and influence in an interdependent global community. Located in Wooster, Ohio, the college has an enrollment of over 2,000 students.

Accreditation/Authorization:

The College of Wooster is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2023. The College of Wooster's educator preparation programs are accredited by the Council for Accreditation of Educator Preparation (CAEP) until their next review in 2024.

Metrics Reported Data (Per [OAC 3333-1-05](#), data available and reported is limited to initial licensure and principal preparation only): Not applicable for new programs.

Recommendation:

The College of Wooster's Adolescence to Young Adult Science licensure preparation programs meet the Chancellor's requirements for program approval and the State Board of Education's minimum standards for undergraduate level programs. Approval is recommended until the fall 2026 review cycle. The Chancellor may, in his judgement, withdraw approval or require additional review if The College of Wooster fails to meet the Chancellor's standards for educator preparation programs or receives a sanction by CAEP.
