Terra State Community College has been granted appropriations contained in House Bill 529 of 132nd General Assembly in the amount of seven hundred thousand dollars. Terra State Community College will use the funds to improve the facility owned by Heidelberg University. As required by Ohio Administrative Code section 3333-1-03, Terra State Community College submitted a Joint Use Agreement for consideration and approval by the Chancellor.

The agreement conforms to Ohio Administrative Code as follows –

- The format of the agreement is appropriate
- The commitment extends no less than twenty years
- The value of use to Ohio higher education institutions is reasonably related to the amount of the appropriation

Agency staff reviewed the agreement and posted its recommendations to the Department’s website for the purpose of providing a period of public comment before final approval by the Chancellor. The materials posted for comment and the joint use agreement are attached to this document.

Based on my review of staff recommendations, I hereby approve the Joint Use Agreement between Terra State Community College and Heidelberg University.
