Re: CONSIDERATION OF A REQUEST BY KENT STATE UNIVERSITY TO WAIVE STANDARD TUITION RATES REDUCING THE NON-RESIDENT SURCHARGE FOR STUDENTS WHO COMPLETED THE FIRST TWO YEARS OF THE AMERICAN ACADEMY IN BRAZIL’S DUAL-ENROLLMENT PROGRAM AT PONTIFICIA UNIVERSIDADE CATOLICA DO PARANA.

§375.30.30 of Am. Sub. H.B. 119 of the 127th General Assembly required any waiver of tuition for a student or class of students not otherwise permitted by law at a state-assisted institution of higher education be approved by the Chancellor of Higher Education (the “Chancellor”). On April 17, 2009, the Chancellor signed Directive 2009-011 establishing procedures for institutions to follow when requesting to waive standard tuition rates. §381.170 of Am. Sub. H.B. 166 of the 133rd General Assembly continues this authority of the Chancellor for the biennium.

Pursuant to the continued authority in §381.170 of Am. Sub. H.B. 166 as well as Directive 2009-011, Kent State University (“KSU”) requests that the non-resident surcharge be reduced for undergraduate students who wish to complete their degrees at KSU after completion of the first two years of the American Academy in Brazil’s dual-enrollment program at Pontificia Universidade Catolica do Parana (PUCPR).

KSU has demonstrated the following:

- KSU’s Board of Trustees approved a resolution authorizing this tuition waiver at its meeting on May 9, 2019. A copy of the resolution is attached.

- KSU has submitted a specific request to reduce the non-resident surcharge by no more than 97.5% per credit hour for students who wish to complete their degrees at KSU after completion of the first two years of the American Academy in Brazil’s dual-enrollment program at PUCPR.

- The specific per-credit hour amount being waived may change depending on KSU’s tuition rates and foreign exchange rates, but in any event, the waiver shall not exceed 97.5% per credit hour for the non-resident surcharge is applicable. And in the event of a tuition increase, the amount waived will increase accordingly, such that the surcharge will remain at no greater than 97.5% per credit hour.

- KSU proposes that the duration of the waiver be for academic year 2020-2021.
• It is estimated that the proposed waiver will affect approximately 15-20 students. This is based on the amount of currently eligible students.

• The goal of this tuition waiver is to encourage enrollment, attract a new population of students, and achieve alignment with the license agreement and the current PUCPR tuition rate.

• KSU will measure the attainment of this goal by tracking student enrollment in the program.

Agency staff reviewed the request and posted its recommendations to the ODHE website for the purpose of providing a public comment period before final approval by the Chancellor. No public comments were received.

Based upon my review of staff recommendations, I hereby approve the tuition waiver request from Kent State University which allows KSU for academic years 2019-2020 and 2020-2021 to reduce the non-resident surcharge to no more than 97.5% per credit hour for students who wish to complete their degrees at KSU after completion of the first two years of the American Academy in Brazil’s dual-enrollment program at PUCPR as set forth above.

This directive will take immediate effect.

Randy Gardner
Chancellor
