

## REQUEST AND RECOMMENDATION

### Lake Erie College

#### Adolescence to Young Adult (7-12) Integrated Language Arts Program Renewal

#### **Request:**

Lake Erie College requests renewal of authorization to offer an undergraduate and post-baccalaureate at undergraduate level program leading to the Ohio Adolescence to Young Adult (7-12) Integrated Language Arts license. This renewal ensures program alignment with Ohio standards and requirements. Programs leading to the Ohio Adolescence to Young Adult (7-12) Integrated Language Arts license are valid for teaching in grades 7 through 12.

#### **Profile:**

Lake Erie College is a private, co-educational institution grounded in the liberal arts that was founded in 1856 as a female seminary. The college has a specific mission to provide distinctive undergraduate and graduate programs that prepare students to meet career and life challenges as educated and responsible citizens of local, national, and international communities. Located in Painesville, Ohio, the college has an enrollment of more than 800 undergraduates and more than 200 graduate students.

#### **Accreditation/Authorization:**

Lake Erie College is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2028. Lake Erie College's educator preparation programs are accredited by Teacher Education Accreditation Council (TEAC) until the next review, by the successor organization, the Council for Accreditation of Educator Preparation (CAEP), until the next review in 2023.

**Metrics Reported Data** (Per OAC 3333-1-05, data available and reported is limited to initial licensure and principal preparation only): Over the past three reporting years, fewer than ten candidates have completed the program. Due to the small number of completers in the program, the Ohio Educator Preparation Program Performance Reports could not be considered in the review process to determine acceptable or unacceptable ranges.

#### **Recommendation:**

Lake Erie College's Adolescence to Young Adult (7-12) Integrated Language Arts preparation program meets the Chancellor's requirements for program approval and the State Board of Education's minimum standards for undergraduate and post-baccalaureate at undergraduate level programs. Approval is recommended until spring 2028 review cycle. The Chancellor may, in his judgement, withdraw approval or require additional review if Lake Erie College fails to meet the Chancellor's standards for educator preparation programs or receives a sanction by CAEP.
