### REQUEST AND RECOMMENDATION

#### NOTRE DAME COLLEGE Institutional Reauthorization

**Request:**

Notre Dame College requests continued authorization from the Chancellor of the Ohio Board of Regents.

**Profile:**

Notre Dame College, located in South Euclid, Ohio, is a co-educational independent institution affiliated with the Roman Catholic Church. Originally established in 1922 as a four-year liberal arts institution for women, the college today prepares a diverse student body for "personal, professional, and global responsibility."

**Accreditation/Authorization:**

Notre Dame College is regionally accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools (HLC) and possesses specialized accreditation for a number of its professional programs. The college has been authorized by the Chancellor since August 1969.

**Program Offerings:**

Notre Dame College offers the following degrees: Associate of Arts, Associate of Science, Bachelor of Arts, Bachelor of Science, Bachelor of Science in Nursing, Master of Arts in Security Policy Studies, and Master of Education.

**Institutional Changes:**

Since the college's last reauthorization review, the institution expanded program offerings and delivery formats to better align resources with student, community, and industry needs.

**Recommendation to the Chancellor:**

Notre Dame College meets the Chancellor's standards and the staff recommends continued institutional authorization through December 31, 2017 to coincide with the college's next accreditation reaffirmation review with the Higher Learning Commission of the North Central Association of Colleges and Schools. Authorization will continue, contingent upon continuing accreditation from HLC. The Chancellor may, in his judgment, withdraw authorization or require additional review if the college fails to continue to meet the Chancellor's standards for authorization or is sanctioned by the Higher Learning Commission.
