

## REQUEST AND RECOMMENDATION

### Ohio State University

#### Adolescence to Young Adult Integrated Mathematics (7-12) Licensure Program Renewal

**Request:**

The Ohio State University requests renewal of authorization to offer an undergraduate program leading to the Ohio Adolescence to Young Adult Integrated Mathematics (7-12) license. This renewal ensures program alignment with Ohio standards and requirements. Programs leading to the Adolescence to Young Adult Integrated Mathematics (7-12) license are valid for teaching in grades seven through twelve.

**Profile:**

The Ohio State University is a public research institution located in Columbus, Ohio. Founded in 1870, the university has regional campuses in Lima, Mansfield, Marion, Newark, and Wooster. The university has a specific mission to advance the well-being of the people of Ohio and the global community through the creation and dissemination of knowledge. The university has an enrollment of approximately 54,000 undergraduate students and 11,000 graduate students in more than 400 programs of study.

**Accreditation/Authorization:**

The Ohio State University is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2027. The Ohio State University's educator preparation programs are accredited by the Council for Accreditation of Educator Preparation (CAEP) until their next review in 2026.

**Metrics Reported Data** (Per [OAC 3333-1-05](#), data available and reported is limited to initial licensure and principal preparation only): Metrics reported on the Ohio Educator Preparation Program Performance Reports for these programs are within acceptable ranges as follows: graduate performance as measured by the Ohio Teacher Evaluation System; licensure pass rates of program completers; Ohio Value-Added Measure of PK-12 student learning of students taught by program graduates; admission requirements; field and clinical experiences; candidate perceptions of their preparation and graduate persistence in Ohio Resident Educator Program.

**Recommendation:**

The Ohio State University's Adolescence to Young Adult Integrated Mathematics (7-12) licensure preparation program meets the Chancellor's requirements for program approval and the State Board of Education's minimum standards for undergraduate level programs. Approval is recommended until the fall 2026 review cycle. The Chancellor may, in his judgement, withdraw approval or require additional review if The Ohio State University fails to meet the Chancellor's standards for educator preparation programs or receives a sanction by CAEP.
