Re: CONSIDERATION OF A REQUEST BY KENT STATE UNIVERSITY TO CONTINUE TO WAIVE STANDARD TUITION RATES REDUCING THE NON-RESIDENT SURCHARGE FOR STUDENTS ENROLLED IN FULLY ONLINE PROGRAMS TO \$10 PER CREDIT HOUR.

§375.30.30 of Am. Sub. H.B. 119 of the 127th General Assembly required any waiver of tuition for a student or class of students not otherwise permitted by law at a state-assisted institution of higher education be approved by the Chancellor of Higher Education (the “Chancellor”). On April 17, 2009, the Chancellor signed Directive 2009-011 establishing procedures for institutions to follow when requesting to waive standard tuition rates. §381.170 of Am. Sub. H.B. 166 of the 133rd General Assembly continues this authority of the Chancellor for the biennium.

Pursuant to the continued authority in §381.170 of Am. Sub. H.B. 166 as well as Directive 2009-011, Kent State University (“KSU”) requests that the non-resident surcharge be reduced to \$10 per credit hour for students enrolled in fully online programs.

KSU has demonstrated the following:

- KSU’s Board of Trustees approved a resolution authorizing this continued tuition waiver at its meeting on May 9, 2019. A copy of the resolution is attached.
- KSU has submitted a specific request to reduce the non-resident surcharge to \$10 per credit hour for students enrolled in fully online programs. This is a reduction of \$360 from the current undergraduate per credit hour surcharge rate.
- The specific per-credit hour amount being waived may change depending on KSU’s tuition rates, but in any event, \$10 per credit hour for the non-resident surcharge is applicable. And in the event of a tuition increase, the amount waived will increase accordingly, such that the surcharge will remain \$10 per credit hour.
- KSU proposes that the duration of the continued waiver be for academic years 2019-2020 and 2020-2021, including all summer terms beginning prior to June 30, 2021.
- It is estimated that the proposed waiver will affect approximately 600 students each semester. This number is based on the rise in eligible students from 121 students in fall 2010 to 546 eligible students in fall of 2018.

- The goal of this tuition waiver is to maintain current enrollment in this program for the biennium.
 - The goal from the previous waiver was the same and was achieved. KSU provided data showing enrollment actually grew by over 50 students during the term of the waiver.
- KSU will measure the attainment of this goal by tracking student enrollment in the program.

RECOMMENDATION

Agency staff advises that the request meets the Chancellor's standards and recommends the tuition waiver request from Kent State University which allows KSU for academic years 2019-2020 and 2020-2021, including all summer terms beginning prior to June 30, 2021, to reduce the non-resident surcharge for students enrolled in fully online programs.
