REQUEST AND RECOMMENDATION

University of Toledo

Adolescence to Young Adult Physical Sciences: Physics License

Request:

University of Toledo requests approval to offer a graduate level program leading to the Ohio Adolescence to Young Adult Physical Sciences: Physics License.

Profile:

University of Toledo is a public university, founded in 1872, with a specific mission to improve the human condition; to advance knowledge through excellence in learning, discovery and engagement; and to serve as a diverse, student-centered public metropolitan research university. Located in Toledo, Ohio, the university has an enrollment of more than 15,000 undergraduates with over 4,500 graduate students.

Accreditation/Authorization:

University of Toledo is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2022. University of Toledo's educator preparation programs are accredited by National Council for Accreditation of Teacher Education (NCATE) until the next review in spring 2016.

Background:

University of Toledo is submitting its request to ensure program alignment with Ohio standards and requirements. Programs leading to the Adolescence to Young Adult Physical Sciences: Physics License are valid for teaching students in grades 7 through 12. University of Toledo offers the program leading to the Adolescence to Young Adult Physical Sciences: Physics License at the graduate level.

Recommendation:

University of Toledo's Adolescence to Young Adult Physical Sciences: Physics License preparation program meets the Chancellor's requirements for program approval and the State Board of Education's minimum standards for graduate level programs leading to the Adolescence to Young Adult Physical Sciences: Physics License. Approval is recommended for University of Toledo's graduate level program leading to Adolescence to Young Adult Physical Sciences: Physics License until the spring 2022 review cycle. It should be noted that the program is subject to periodic review by the Chancellor to ensure that the standards for Ohio licensure continue to be met.
