

## REQUEST AND RECOMMENDATION

### Wright State University

#### Adolescence to Young Adult (7-12) Integrated Mathematics Program Renewal

##### **Request:**

Wright State University requests renewal of authorization to offer a graduate program leading to the Ohio Adolescence to Young Adult (7-12) Integrated Mathematics license. This renewal ensures program alignment with Ohio standards and requirements. Programs leading to the Ohio Adolescence to Young Adult (7-12) Integrated Mathematics license are valid for teaching in grades 7 through 12.

##### **Profile:**

Wright State University is a public university. The university was founded in 1967 with a specific mission to achieve learning outcomes through innovative, high quality programs for all students, to conduct scholarly research and creative endeavors, and to engage in significant community service. Located in Dayton, Ohio, the university has an enrollment of more than 12,000 undergraduate and over 4,000 graduate students.

##### **Accreditation/Authorization:**

Wright State University is accredited by the Higher Learning Commission (HLC) until its next scheduled review in 2026. Wright State University's educator preparation programs are accredited by the National Council for Accreditation of Teacher Education (NCATE) until the next review, by the successor organization, the Council for Accreditation of Educator Preparation (CAEP), in 2022.

**Metrics Reported Data** (Per OAC 3333-1-05, data available and reported is limited to initial licensure and principal preparation only): Over the past three reporting years, fewer than ten candidates have completed the program. Due to the small number of completers in the program, the Ohio Educator Preparation Program Performance Reports could not be considered in the review process to determine acceptable or unacceptable ranges.

##### **Recommendation:**

Wright State University's Adolescence to Young Adult (7-12) Integrated Mathematics preparation program meets the Chancellor's requirements for program approval and the State Board of Education's minimum standards for graduate level programs. Approval is recommended until fall 2027 review cycle. The Chancellor may, in his judgement, withdraw approval or require additional review if Wright State University fails to meet the Chancellor's standards for educator preparation programs or receives a sanction by CAEP.
