JVSD allocation.

(A) A city, local, and exempted village district, community school, STEM school, or joint vocational school district (JVSD) must report each student who enrolls in college credit plus, along with other information required on that student’s enrollment, into the Ohio department of education’s education management information system (EMIS).

(B) When a student is enrolled simultaneously in a JVSD and another secondary entity, and the student enrolls in a course governed by college credit plus, the entity that applies the college credit plus course credit toward the student’s high school graduation requirements or career technical education program of study shall report the student’s enrollment in the college credit plus course.

(C) The department shall deduct the payment to the college from the entity who reports the college credit plus course enrollment and credit.
