CHANCELLOR APPROVAL OF ADDITIONAL COURSES

The course eligibility rule provides for colleges & universities to request Chancellor approval for additional courses. Please see the "Resources" page of www.ohiohighered.org/ccp for more information.

- 1. Level I Courses:** The chancellor annually may approve additional Level I courses if it is determined that students participating in the College Credit Plus program would benefit from having access to those courses as Level I courses. Any such approval shall take effect at the start of the following academic year.
- 2. Non-allowable Courses:** If a course that is a part of a predetermined pathway (or required sequence of courses) leading to a certificate or degree is described as "non-allowable" under the rule, a college or university may request the chancellor to allow the course, given one or more students who are enrolled through College Credit Plus have shown progress on that pathway or sequence of courses through their previous coursework.
