Student Eligibility Process

Starting with the 2018-2019 academic year, a prospective College Credit Plus student must complete the steps below to determine CCP eligibility, college admission, and course placement/registration.

1. Eligibility to Participate
   (See Note 1)
   - Student must complete an assessment exam.
     - Did the student score ready for college-level courses?
       - YES: Did the student score in the conditionally eligible range?
         - YES: Does the student have at least a 3.0 high school GPA or a recommendation?
           - YES: Student is eligible and may proceed to Step 2 - Admission.
           - NO: Student is not eligible to participate. (See Note 2)
         - NO: Student can apply to another college or wait for next year.
           - YES: Student must apply to a college.
             (Some colleges have higher admission criteria than CCP eligibility requirements.)
           - NO: Student may proceed to Step 3 - Course Registration

2. College Admission
   (See Note 1)
   - Student must apply to a college.
     (Some colleges have higher admission criteria than CCP eligibility requirements.)
     - Did the student gain admission to the college?
       - YES: Student can apply to another college or wait for next year.
       - NO: Did the student score ready for college-level courses?
         - YES: Student must complete an assessment exam.
         - NO: Did the student score in the conditionally eligible range?
           - YES: Does the student have at least a 3.0 high school GPA or a recommendation?
             - YES: Student is eligible and may proceed to Step 2 - Admission.
             - NO: Student is not eligible to participate. (See Note 2)
           - NO: Student can apply to another college or wait for next year.
             - YES: Student must apply to a college.
               (Some colleges have higher admission criteria than CCP eligibility requirements.)
             - NO: Student may proceed to Step 3 - Course Registration

3. Course Registration
   (See Note 3)
   - Student must meet with a school counselor and a college advisor to determine course choices, which will depend on assessment scores and other prerequisites.

Note 1: Steps 1 & 2 may occur simultaneously especially at open admission institutions or institutions at which a student identifier is needed for record keeping purposes.

Note 2: An institution may choose to allow students to retake the assessment exam.

Note 3: An institution may require a student to attend an orientation meeting prior to or after registering for courses.
