

Choose Ohio First Annual Report

Intro.

Annual Report for 2019-2020

Completion of this online form fulfills the Choose Ohio First Annual Report required by [Ohio Administrative Code 3333-1-61](#). Please complete a **separate online form for each** funded Choose Ohio First Program at your institution.

1. Please respond to each item as it relates to academic year 2019-2020 and the implementation of the indicated Choose Ohio First award at your college or university.
2. Please complete the form by 11:59 p.m. on Monday, August 10, 2020.
3. Please contact Corey Dixon (CDixon@highered.ohio.gov) or Drew Sevel (ASevel@highered.ohio.gov) if you have questions.

IMPORTANT: Things to note about Qualtrics and this survey:

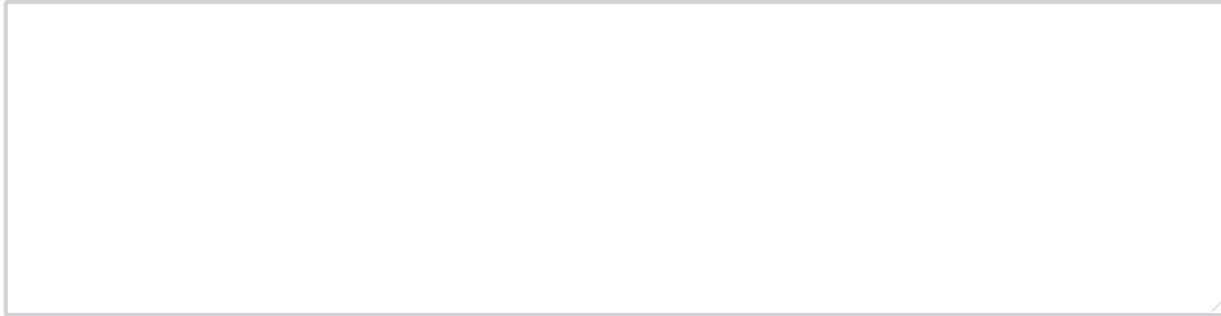

-To see a template of this data collection tool and preview the questions asked, reference the email attachment that accompanied this survey link. The Ohio Department of Higher Education (ODHE) suggests using a hard copy of this survey to complete data entry prior to submission. Once you have completed all fields, input into this online form. Qualtrics data can be saved prior to submission and re-opened with the same computer and browser. To use this function, do not clear your computer or browser cookies/data.

-Once the last arrow on the survey is clicked, you cannot go back and edit your work. A warning page has been inserted for your convenience.

SURVEY OUTLINE:

1. Program Alignment
2. Program Achievements
3. Student Outcomes
4. Financial Match

Q1. Please describe how the 2019-2020 Choose Ohio First program aligns with your institution's strategic plan and goals.

Q2. Please provide the following information:

Responses:

Institution

Institutional Partner(s)
(if this is a shared
award agreement)

Choose Ohio First
Award Number- note
this report should only
contain data for this
program at this
institution only

Primary Contact for
Choose Ohio First
Award

Primary Contact Phone
Number

Primary Contact Email
Address

Primary Contact Title

Q3. Please provide data on activities and characteristics of all the Choose Ohio First Scholars **enrolled** in this program during the 2019-2020 academic year:

	Number of Students
Total number of Scholars	<input type="text"/>
Female Students under age 25 (at time of admission)	<input type="text"/>
Male Students under age 25 (at time of admission)	<input type="text"/>
Female Students age 25 or older (at time of admission)	<input type="text"/>
Male Students age 25 or older (at time of admission)	<input type="text"/>
Low-income (max. Pell grant eligible EFC by year)	<input type="text"/>
First-generation (High school or less for both parents)	<input type="text"/>
Lived in a living learning community	<input type="text"/>
Participated in a co-operative	<input type="text"/>
Completed a paid internship	<input type="text"/>
Completed an unpaid internship	<input type="text"/>
Completed a research project	<input type="text"/>
Presented at a research conference or symposium	<input type="text"/>
Attended a research conference or symposium	<input type="text"/>
Attended the COF Scholar Showcase	<input type="text"/>
Presented at the COF Scholar Showcase	<input type="text"/>
Transferred in from a two-year institution	<input type="text"/>
Transferred in from a four-year institution	<input type="text"/>

	Number of Students
Transferred out to a two-year institution	<input type="text"/>
Transferred out to a four-year institution	<input type="text"/>
Graduated from program	<input type="text"/>
Entered graduate school for a STEMM discipline	<input type="text"/>
Entered the military	<input type="text"/>
Entered Ohio workforce	<input type="text"/>
Entered Ohio workforce in STEMM field	<input type="text"/>
Entered the workforce outside Ohio	<input type="text"/>

Q4. List events or activities your COF program incorporated in 2019-2020.

Q5. Please upload an artifact (photographs, video, article, etc.) of one of the events or activities listed above. (Please note, the attachment option can accept only one document, therefore if you have multiple documents to include, scan them into one attachment.)

Q6. Please upload an Excel file containing the list of organizations where COF scholars participated in an internship, co-op, or research laboratory experience.

Q7. Please upload examples of COF recruiting materials, such as a brochure, social-media post, or a website link. (Please note, the attachment option can accept only one document, therefore if you have multiple documents to include, scan them into one attachment.)

Q8. Please describe any formal articulation agreements your institution has with other institutions to facilitate the recruitment and/or transfer of Choose Ohio First Scholars.
(Character Limit: 3,000)

Q9. Please upload any 2019-2020 COF success stories or scholar testimonies. (Please note, the attachment option can accept only one document, therefore if you have multiple documents to include, scan them into one attachment.)

Q10. Does your COF program have an outreach plan to collect employment data from COF alumni?

Yes

Forthcoming

No

Q11. Please describe your outreach plan used to collect employment data from COF alumni.

Q12. Please upload an Excel file containing a list of organizations where COF graduates are currently employed:

Q13. To assist with aggregate data collection, please select one of the following:

The award you're reporting on begins with 08.XX, 09.XX, or 11.XX and is considered a "continuing" COF award.

The award you're reporting on begins with 16.XX and the MOU was executed in July 2017.

Q14A.

Please complete the following information on the persistence and graduation rates of undergraduate students. **It is suggested to work with campus personnel responsible for data collection to ensure the "All STEM, Non-COF" data fields are the same across the COF-funded awards your institution reports.** This question requires entry in each text box; if you do not have data to support the category, **enter N/A.**

Please do not double-count students in the same academic year if they are pursuing multiple degrees or certifications.

DEFINITIONS:

All STEM, Non-COF - This column is for NON-COF, first-time enrollees of a specific academic year seeking a certification or degree in a STEM field as undergraduates at your institution beginning fall semester. Part-time and full-time students are both included.

STEMM for undergraduates is defined as any subject fields that falls under the **[A] Discipline Areas** of (1) Engineering, (2) Health, (3) Trades and Repair Technicians, and (4) Natural Science and Mathematics (excluding subject field Agricultural Business, Operations and Management). Also, included are any **[B] Subject Fields** named (1) Computer and Quantitative Business Field, (2) Logistics, and (3) Science and Math Education.

COF; Choose Ohio First scholars - This column is for first-time, first-awardee Choose Ohio First scholars of a specific academic year *for the award number that you are reporting*. Part-time and full-time students are both included.

	2014-2015		2015-2016		2016
	All STEMM, Non-COF	COF	All STEMM, Non-COF	COF	All STEMI Non-COI
# Originally Enrolled in Cohort	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
# Still Enrolled in a STEMM Program	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
# Completed STEMM Certificate/Degree	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
# Completed Non-STEMM Certificate/Degree	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Q14B.

Please complete the following information on the persistence and graduation rates of undergraduate students. **It is suggested to work with campus personnel responsible for data collection to ensure the "All STEMM, Non-COF" data fields are the same across the COF-funded awards your institution reports.** This question requires entry in each text-box, if you do not have data to support the category, **enter N/A.**

Please do not double-count students in the same academic year if they are pursuing multiple degrees or certifications.

DEFINITIONS:

All STEMM, Non-COF - This column is for NON-COF, first-time enrollees of a specific academic year seeking a certification or degree in a STEMM field as undergraduates at your institution beginning fall semester. Part-time and full-time students are both included.

COF; Choose Ohio First scholars - This column is for first-time, first-awardee Choose Ohio First scholars of a specific academic year *for the award number that you are reporting*. Part-time and full-time students are both included.

	2017-2018		2018-2019		2019-2020
	All STEMM, Non-COF	COF	All STEMM, Non-COF	COF	All STEMM, Non-COF
# Originally Enrolled in Cohort	<input type="text"/>				
# Still Enrolled in a STEMM Program	<input type="text"/>				
# Completed STEMM Certificate/Degree	<input type="text"/>				
# Completed Non-STEMM Certificate/Degree	<input type="text"/>				

Q15. What is your total cost share for 2019-2020? Pursuant to Ohio Revised Code section 3333.64, the cost share is required in the ratio of one-to-one for state funds to dedicated institutional funds. All reasonable institutional, operational, and capital costs, including previous investments, that are directly associated with delivering the Project outcomes identified in the awarded proposal may, at ODHE's discretion, be counted as eligible cost share. Cost share may exceed the total amount awarded.

Maximum Award Amount to the institution as indicated in 2019 COF award letter	Total Disbursement to the institution from ODHE in 2019-2020	Total Cost Share/Institutional Match for 2019-2020 (note, must match or exceed total disbursement from ODHE)
<input type="text"/>	<input type="text"/>	<input type="text"/>

Q16. Itemized Report

	2019-2020 Cost Share/ Institutional Match	Notes- Optional
Scholarship/Tuition Assistance	<input type="text"/>	<input type="text"/>
Salaries- Key Personnel* (includes the project director/coordinator, faculty, mentors, and others who work with COF)	<input type="text"/>	<input type="text"/>
Benefits- Key Personnel	<input type="text"/>	<input type="text"/>
Salaries- Support Personnel** (includes the staff from financial aid, accounting, and other areas that support COF but do not have programmatic oversight)	<input type="text"/>	<input type="text"/>
Benefits- Support Personnel	<input type="text"/>	<input type="text"/>

	2019-2020 Cost Share/ Institutional Match	Notes- Optional
Contractual Services	<input type="text"/>	<input type="text"/>
Equipment/Rental, Lease, Purchase	<input type="text"/>	<input type="text"/>
Supplies and Materials	<input type="text"/>	<input type="text"/>
Employee Travel	<input type="text"/>	<input type="text"/>
Student Travel	<input type="text"/>	<input type="text"/>
Other	<input type="text"/>	<input type="text"/>
TOTAL	<input type="text"/>	<input type="text"/>

Conclusion. Please click the button below if you are ready to submit the annual report. After submitting, it is recommended that you export/print a copy of the completed form for your records. To print/export, select the red Adobe icon in the right corner of the generated summary after submission.
