This MTAG guarantee awards credit based on the service members' successful completion of the US Army practical nurse curriculum **and** successful passing of the National Council Licensure Examination for Practical Nurses (NCLEX-PN).

More information regarding how to verify an Ohio LPN license or other state license (through reciprocity) can be found at <http://www.nursing.ohio.gov/Verification.htm>

The Ohio LPN license or other state license (through reciprocity) should be verified before the student is placed in a nursing program.

It is highly recommended that nursing programs utilizing this credit should have a discussion with their Registrar about the most effective manner to post this credit award.

This military program of study has been added to *Ohio Revised Code 4723.09 License Application* as amended by the 132nd General Assembly HB49.

Thank you to those involved in this process for their dedication and support.
