Memorandum

To:	**Chief Academic Officers and Provosts**
From:	**Paula Compton, Associate Vice Chancellor, Articulation and Transfer**
Date:	**December 20, 2018**
Subject:	**NEW – Military Transfer Assurance Guides Announcement**

I am pleased to announce a new Military Transfer Assurance Guide (MTAG) - Effective immediately.

The following military training, experience and coursework has been aligned to the Practical Nursing to Pre-Licensure Associate Degree Nursing CTAN - CTPNNUR 001 as listed in the table below:

Reviewed and Approved Military Transfer Assurance Guide (MTAG)

CCAF Degree Awarded	Name of CCAF Training Program	Air Force Specialty Code	Effective Date -Program date range	Approved Course Alignments with Current Statewide Course/Program Equivalency Guarantees	Credit Hours
Associate of Applied Science	Practical Nursing Technology (7GAL)	4N0X1, 4N0X1B, 4N0X1C, 4N0X1F	Started to be awarded Mid-2016	CTPNNUR 001 – Practical Nurse Technical Learning Outcomes	30% of technical nursing credits
Associate of Applied Science	The Allied Health Sciences (7GAL)	4N0X1	Awarded between 1999 and mid-2016	CTPNNUR 001 – Practical Nurse Technical Learning Outcomes	30% of technical nursing credits

This MTAG guarantee awards credit based on the service members' successful completion of the Community College of the Air Force Associate in Applied Science Degree in "Practical Nursing Technology" (after 2016) or "The Allied Health Sciences" (prior to 2016) **and** successful passing of the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Because the service member will complete an AAS from the CCAF, there are likely other credit equivalencies outside of the LPN credit which should also be evaluated.

More information regarding how to verify an Ohio LPN license or other state license (through reciprocity) can be found at http://www.nursing.ohio.gov/Verification.htm

The Ohio LPN license or other state license (through reciprocity) should be verified before the student is placed in a nursing program and credit awarded.

It is highly recommended that nursing programs utilizing this credit should have a discussion with their Registrar about the most effective manner to post this credit award.

This military program of study has been added to *Ohio Revised Code 4723.09 License Application* as amended by the 132nd General Assembly HB49.

Thank you to those involved in this process for their dedication and support.
