Notes:

- To prepare for the meeting, please review the attached documents:
Guiding Principles for 2+2
Related CTAGs
Creating Campus-Wide Discussions

- Please also collect, review, and bring the following documents from your institution:
 1. Existing bilateral transfer agreements for any and all degree areas across computer science and information technology, with a focus on information technology, information systems, and computer science.
 2. Curriculum/Advising Sheets for all of the majors or programs related to the cluster area
 3. Program learning outcomes for the discipline areas within your cluster area (if available)
- For additional information about the initiative, please visit our Guaranteed Transfer Pathways website:
<https://www.ohiohighered.org/transfer/guaranteed-transfer-pathways>

Co-leads:

Charles Dull, Associate Dean for IT Center of Excellence, Cuyahoga Community College (charles.dull@tri-c.edu)
Enoch Damson, Chair, Department of Business and Information Technology and Professor, Computer Information Systems, University of Akron (damson@uakron.edu)
L. Gwenn Volkert, Associate Professor, Computer Science, Kent State University (lvolkert@kent.edu)
