However, the institution is working toward this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree. ² Successful completion of WRIT 1120 with a "C or higher" is a BGSU graduation requirement. ³ Physical Geography (OSS006) can also fulfill a Natural Science requirement at BGSU.

Consult an advisor when selecting courses.</p> <p>² Assumes that the student has completed the first two semesters of the language sequence prior to entering BGSU.</p> <p>³ The College of Arts and Sciences at BGSU requires a four-course Multidisciplinary Component (MDC). Students are strongly encouraged to work with their advisor to maximize the potential transfer credit to fulfill the first two courses of the MDC. The four courses selected for the MDC may be closely related to the major, sample the diverse domains of the arts, humanities, natural sciences, and social sciences, or be interdisciplinary in nature. Each course must have a different prefix; at least two courses must be at 3000- or 4000-level; and courses applied to the MDC will not fulfill other Arts and Sciences degree requirements, nor will MDC courses fulfill the major, minor, BGP, or other program requirements.</p> <p>⁴ Assumes that the student selects a minor with 21 semester hours.</p> <p>⁵ BGSU requires a total of 122 credit hours for degree completion. The total number of hours in the third and fourth years represent a range of hours that may be needed depending on the individual course selections made during the first two years.</p>
