

Bowling Green State University  
**Psychology**  
 Associate of Science to  
 Bachelor of Science

Effective beginning Academic Year 2019-20 (Last revised October 7, 2019)

The following table outlines how transfer credits will be applied to the Bachelor of Science in Psychology degree at Bowling Green State University for students who completed an Associate of Science degree via the Ohio Guaranteed Psychology (AS to BS) Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

<b>TOTAL HOURS FROM ASSOCIATE DEGREE:</b>		<b>60-65</b>
Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. <sup>1</sup> BGSU requires two biology courses: BIOL 2040 (OSC004) and BIOL 2050 (OSC003). <sup>2</sup> Successful completion of WRIT 1120 with a "C or higher" is a BGSU graduation requirement. <sup>3</sup> "To be submitted" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working toward this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree.

Advising Notes:

<sup>1</sup> Students must complete the Bowling Green Perspective (BGP) requirements, which include select courses that meet the International Perspective and the Cultural Diversity in the United States requirements at BGSU. Consult an advisor when selecting courses.

<sup>2</sup> Assumes that the student has completed the first two semesters of the language sequence prior to entering BGSU.

<sup>3</sup> The College of Arts and Sciences at BGSU requires a four-course Multidisciplinary Component (MDC). Students are strongly encouraged to work with their advisor to maximize the potential transfer credit to fulfill the first two courses of the MDC. The four courses selected for the MDC may be closely related to the major, sample the diverse domains of the arts, humanities, natural sciences, and social sciences, or be interdisciplinary in nature. Each course must have a different prefix; at least two courses must be at 3000- or 4000-level; and courses applied to the MDC will not fulfill other Arts and Sciences degree requirements, nor will MDC courses fulfill the major, minor, BGP, or other program requirements.

<sup>4</sup> Assumes that the student selects a minor with 21 semester hours and completes at least one course in the minor discipline prior to entering BGSU. It is highly recommended students complete a Philosophy course (can be counted in the Cognate Minor).

<sup>5</sup> BGSU requires a total of 122 credit hours for degree completion. The total number of hours in the third and fourth years represent a range of hours that may be needed depending on the individual course selections made during the first two years.
