(*) indicates that the course simultaneously satisfies general education and business core requirements. (+) indicates that the courses chosen should be from two different areas within that category. A prerequisite such as College Algebra (TMM001) may be needed for a student to reach Calculus I (TMM005) or Business Calculus (TMM013). Students transferring to Miami University must take Calculus 1 (TMM005). It is recommended that an Arts and Humanities or Social and Behavioral Sciences course is also a diversity course.</p>
