

The following table outlines how transfer credits will be applied to the Bachelor of Science in Mathematics degree at Kent State University for students who completed an Associate of Science degree via the Ohio Guaranteed Mathematics (AS to BS) Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

COURSE EQUIVALENCIES FROM THE ASSOCIATE DEGREE	Course Number	Credit Hours
GENERAL EDUCATION REQUIREMENTS/OHIO TRANSFER MODULE		
Any OTM approved First Writing (TME001) course	ENG 11011	3
Calculus I (TMM005)	MATH 12002	5
Any OTM approved Arts and Humanities course	OTM Elective*	3
Any OTM approved Arts and Humanities course	OTM Elective*	3
Any OTM approved Social and Behavioral Sciences course	OTM Elective*	3
Any OTM approved Social and Behavioral Sciences course	OTM Elective*	3
Calculus-based Physics I with lab (OSC016)	PHY 23101	5
Calculus-based Physics II with lab (OSC017) or any OTM approved Natural Sciences course ¹	PHY 23102 or OTM Elective*	3
Any OTM approved Second Writing (TME002) course	ENG 21011	3
Calculus II (TMM006)	MATH 12003	5
Up to 3 additional hours of OTM approved courses	OTM Elective*	3
PRE-MAJOR/BEGINNING MAJOR		
Calculus III (OMT018)	MATH 22005	4
Elementary Linear Algebra (OMT019)	MATH 21001 (under review) ²	3
Elementary Differential Equations (OMT020)	MATH 32044	3
OTHER RECOMMENDATIONS		
General Electives	Varies*	7-12
TOTAL HOURS FROM ASSOCIATE DEGREE		60-65
Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. ¹ Kent State University does not require Calculus-based Physics II with lab (OSC017) so students may take any OTM approved Natural Sciences course. ² "Under review" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working toward this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree.		

SPECIAL NOTES

Students with plans of pursuing a pre-professional or graduate studies track in the future should work closely with their academic advisor and receiving institution starting in the first year of their program in order to adequately prepare themselves for those types of tracks. Some pre-professional degrees include pre-medicine, pre-veterinary, pre-law, and pre-dentistry.

The following additional coursework will be required to complete the Bachelor of Science in Mathematics degree at Kent State University after a student has completed their Associate of Science Ohio Guaranteed Mathematics (AS to BS) Transfer Pathway degree. Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.

REMAINING COURSEWORK TO COMPLETE BACHELOR'S DEGREE		Course Number	Credit Hours
University Requirement:	Domestic Diversity Course (if not already completed during the associate degree) ¹	Varies	0-3
University Requirement:	Global Diversity Course (if not already completed during the associate degree) ¹	Varies	0-3
College Requirement:	Foreign Language - Elementary I and II	Varies	8
Major Requirement:	Decision-Making Under Uncertainty	MATH 20011	3
Major Requirement:	Proofs in Discrete Mathematics	MATH 31011	3
Major Requirement:	Modern Algebra I	MATH 41001	3
Major Requirement:	Modern Algebra II	MATH 41002	3
Major Requirement:	Analysis I	MATH 42001	3
Major Requirement:	Analysis II	MATH 42002	3
Major Requirement:	Theory of Matrices	MATH 41021	3
Major Requirement:	Applied Mathematics Sequence	Varies	6-8
Major Requirement:	Pure Mathematics Electives	Varies	9
Major Requirement:	Allied Area Electives	Varies	6
Major Requirement:	Computer Science Elective	Varies	4
University Requirement:	General Electives ²	Varies	0-6
REMAINING COURSEWORK TO COMPLETE BACHELOR'S DEGREE TOTAL:³			55-60
Advising Notes: Completion of the OTM will satisfy the entire set of Kent Core requirements. ¹ Students must complete the Kent State diversity course requirement, which includes one course with a domestic diversity focus and one course with a global diversity focus from the approved list. These can often be fulfilled as part of the associate degree with careful course selection. Please work with your advisor to identify appropriate courses. ² The College of Arts and Sciences requires that students successfully complete a minimum of 42 upper-division credit hours. ³ Kent State requires a total of 120 credits hours for bachelor's degree completion. The total number of hours to complete the bachelor's degree represents a range of hours that may be needed depending on the individual course selections made during the associate degree program.			

COMPLETE BACHELOR'S DEGREE	Total Credit Hours
BACHELOR'S DEGREE TOTAL:	120
