

The following table outlines how transfer credits will be applied to the Bachelor of Arts in Biology degree at Miami University for students who completed an Associate of Science degree via the Ohio Guaranteed Biology Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

COURSE EQUIVALENCIES FROM THE ASSOCIATE DEGREE	Course Number	Credit Hours
GENERAL EDUCATION REQUIREMENTS/OHIO TRANSFER 36		
Any Ohio Transfer 36 approved First Writing (TME001) course	ENG 111	3
Calculus I (TMM005)	MTH 151	5
Any Ohio Transfer 36 approved Arts and Humanities course	Ohio Transfer 36 Elective*	3
Any Ohio Transfer 36 approved Arts and Humanities course	Ohio Transfer 36 Elective*	3
Any Ohio Transfer 36 approved Social and Behavioral Sciences course [Introduction to Psychology (OSS015) recommended for pre-medicine]	PSY 111 or Ohio Transfer 36 Elective*	3
Any Ohio Transfer 36 approved Social and Behavioral Sciences course [Introduction to Sociology (OSS021) recommended for pre-medicine]	SOC 151 or SOC 153 or Ohio Transfer 36 Elective*	3-4
General Chemistry I with lab (OSC008)	CHM 141 and CHM 144	5
General Chemistry II with lab (OSC009)	CHM 142 and CHM 145	5
Any Ohio Transfer 36 approved Second Writing (TME002) course	ENG 112	3
Up to 7 additional hours of Ohio Transfer 36 approved courses	Ohio Transfer 36 Electives*	0
PRE-MAJOR/BEGINNING MAJOR		
Biology I (OSC003)	BIO/MBI 116	4
Biology II (OSC004)	BIO/MBI 115	4
Calculus-based Physics I with lab (OSC016) or Algebra-based Physics I with lab (OSC014) or biology course	PHY 191 or PHY 161	4-5
OTHER RECOMMENDATIONS		
Full-Year Sequence of Organic Chemistry with lab (OSC010) [Not required but highly recommended for pre-medicine]	CHM 251, 254, 252, and 255	10
General Electives as needed (May include FYE or Orientation course) ¹	Varies*	6-8
TOTAL HOURS FROM ASSOCIATE DEGREE:		60-65
Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. ¹ Miami University recommends two semesters of foreign language be taken during the associate degree if possible, or that credit has been earned via an approved Advanced Placement or International Baccalaureate exam through the end of the beginning level (or higher). The College of Arts & Sciences (CAS) requires that students earn credit in a foreign language at or beyond the 202-level. If not taken during the associate degree, up to four semesters of foreign language may need to be taken upon transfer.		

SPECIAL NOTES

Students with plans of pursuing a pre-professional or graduate studies track in the future should work closely with their academic advisor and receiving institution starting in the first year of their program in order to adequately prepare themselves for those types of tracks. Some pre-professional degrees include pre-medicine, pre-veterinary, pre-law, and pre-dentistry.

The following additional coursework will be required to complete the Bachelor of Arts in Biology degree at Miami University after a student has completed their Associate of Science Ohio Guaranteed Biology Transfer Pathway degree. Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.

REMAINING COURSEWORK TO COMPLETE BACHELOR'S DEGREE		Course Number	Credit Hours
Major Core Course:	Cell Biology	BIO 203	3
Major Core Course:	Evolutionary Biology or Evolution of Plant Diversity	BIO 206 or BIO 204	3-4
Major Core Course:	Fundamentals of Ecology	BIO 209	3
Major Core Course:	Genetics	BIO 342	3
Major Core Course:	Advanced Biology course with a Laboratory (200+ level) ¹	Varies	4
Major Elective Course/ Capstone:	Advanced Biology Electives (200+ level), including one course at the 400+ level and one capstone course ²	Varies	9
Major Core Course:	Statistics	STA 261	4
Divisional Requirement:	First (if needed) and second year of selected foreign language sequence	101, 102, 201, and 202	6-14
General Education:	Advanced Writing	Varies	3
General Education:	Experiential Learning Requirement	Varies	3
General Education:	Intercultural Perspectives Course	Varies	3
General Education:	Global Perspectives Courses	Varies	6
General Education:	Thematic Sequence Course #1	Varies	3
General Education:	Thematic Sequence Course #2	Varies	3
General Education:	Thematic Sequence Course #3	Varies	3
General Electives:	General Electives ³	Varies	0-2
REMAINING COURSEWORK TO COMPLETE BACHELOR'S DEGREE TOTAL:⁴			59-67
<p>Advising Notes:</p> <p>¹ For pre-health professional students BIO 305 is recommended as the lab course.</p> <p>² Two BIO courses at the 200 and 300 levels must be writing intensive (W) courses, and one course at the 400 level must be a writing intensive (W) course to satisfy the College of Arts & Sciences (CAS) writing in the major requirement. Please work closely with your advisor.</p> <p>³ Students are required to attend an orientation session and will meet with an advisor to review the coursework coming in, as well as what they should register for the following semester. At this time, the divisional requirements for CAS will be addressed so that students are able to be efficient in their course selection. For students planning on attending medical school, veterinary school, physician's assistant school, or other professional schools, a full year of organic chemistry, biochemistry, and one year of physics are required. A course in human anatomy (BIO 201) and general microbiology (MBI 201) are also recommended or required. Both BIO 201 and MBI 201 count towards the advanced hours in biology.</p> <p>⁴ Miami University requires a total of 124 credit hours for degree completion. The total number of hours to complete the bachelor's degree represents a range of hours that may be needed depending on the individual course selections made during the associate degree program.</p>			

COMPLETE BACHELOR'S DEGREE	Total Credit Hours
BACHELOR'S DEGREE TOTAL:	124
