<b>GENERAL EDUCATION/OHIO TRANSFER MODULE TOTAL:</b>			<b>39-41</b>
Advising Notes: Where it indicates "Any OTM approved," students should work closely with their advisors. (+) indicates that the courses chosen should be from two different areas within that category. <sup>1</sup> A prerequisite such as College Algebra (TMM001) may be needed for a student to reach Calculus I (TMM005) or Business Calculus (TMM013). Students intending to pursue a Bachelor of Science in Economics should take Calculus 1 (TMM005). <sup>2</sup> Principles of Microeconomics (OSS004) also counts toward pre-major/beginning major requirements. <sup>3</sup> Only one natural sciences lab is required. In some cases, taking one Biological Science and one Physical Science is preferred. Check with your receiving institution. <sup>4</sup> One recommended course is OTM approved Oral Communication.			

PRE-MAJOR/BEGINNING MAJOR		Course Number	Credit Hours
Course 1:	Principles of Microeconomics (OSS004) (counted as part of the OTM) <sup>1</sup>	ECO 201	0
Course 2:	Principles of Macroeconomics (OSS005) <sup>2</sup>	ECO 202	3
<b>PRE-MAJOR/BEGINNING MAJOR TOTAL:</b>			<b>3</b>

Please consult with your academic advisor.			

OTHER RECOMMENDATIONS		Course Number	Credit Hours
Foreign Language:	Demonstrate competencies through the intermediate level (Statewide guaranteed transfer courses available in American Sign Language, Arabic, Chinese, Japanese, French, German, Italian, and Spanish) <sup>1</sup>	Varies <sup>2</sup>	8
Electives:	It is recommended for students to use these elective hours to explore pursuing a double major or minor using TAG approved courses. Economics majors might choose to pursue a second major or minor in areas such as mathematics, statistics, or business. These hours can also be used to complete prerequisite coursework. If Principles of Macroeconomics (OSS005) is taken as part of the OTM, then elective hours will be higher.	Varies <sup>3</sup>	10
<b>OTHER RECOMMENDATIONS TOTAL:</b>			<b>18</b>
Advising Notes: <sup>1</sup> A minimum of two semesters of foreign language should be taken if available. Additional foreign language courses may be needed as well – check with your receiving institution. If more foreign language courses are taken, then the number of elective hours will be lower. <sup>2</sup> Any TAG approved foreign language course: SPA 111 and SPA 112, ASL 111 and ASL 112, GER 111 and GER 112, or ARB 11 and ARB 112 <sup>3</sup> OTM and TAG approved courses are recommended. Please work closely with your academic advisor.

SPECIAL NOTES
Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.
Some bachelor-degree granting institutions require additional general education courses outside of the Ohio Transfer Module and students may be required to take these courses in their junior or senior year. Students will still be able to follow this pathway and complete their bachelor's degree in approximately 60 additional credit hours.
