

The following table outlines how transfer credits will be applied to the Bachelor of Arts in Geography degree at Youngstown State University for students who completed an Associate of Arts or Associate of Science degree via the Ohio Guaranteed Geography Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. <sup>1</sup> At Youngstown State University, Physical Geography (OSS006) can be used to meet the physical science requirement. <sup>2</sup> "To be submitted" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working towards this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree.		

The following additional coursework will be required to complete the Bachelor of Arts in Geography degree at Youngstown State University after a student has completed their Associate of Arts or Associate of Science Ohio Guaranteed Geography Transfer Pathway degree. Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.
