

## Memorandum

---

**To:** Provost and Chief Academic Officers

**From:** Paula Compton, Associate Vice Chancellor, Articulation and Transfer

**Date:** July 7, 2021

**Subject:** Announcement of Ohio Transfer 36 Implementation

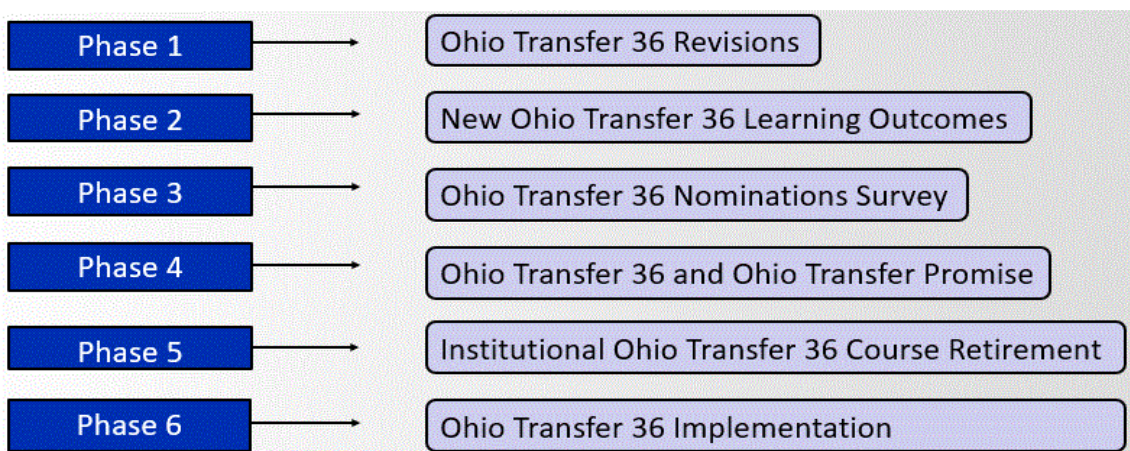

---

### Background:

The Ohio Transfer 36 (formerly the Ohio Transfer Module (OTM)) was created 30 years ago to address issues of transfer and articulation among Ohio's 36 two- and four-year public institutions, particularly with respect to the General Education curriculum. The major objective of the Ohio Transfer 36 is to provide students the assurance that the courses they take can be used toward their degree at the receiving transfer destination.

Statewide discussions have occurred over the past two years to rethink the Ohio Transfer 36 and assess whether it meets the current needs of Ohio public institutions and students. As a result, Ohio Transfer 36 revisions have been proposed that focus around flexibility with certainty to allow students to choose different paths through the Ohio Transfer 36 based on their own unique situations, while at the same time assuring students that credits will transfer to their destination institutions.

Within the past several months, a number of announcements have been sent out to inform institutions of revisions to the Ohio Transfer 36. Announcements have been distributed statewide in six phases outlined below.

**What your institution will need to know:**

To assist your institution with preparing for Ohio Transfer 36 implementation, a corresponding Q/A webinar will be held statewide. We will hold the Ohio Transfer 36 Q/A session on **Friday, July 23, 2021 from 1:00-2:00p.m.** Should you and/or colleagues at your institutions be interested in participating please join the session [here](#).

A special thank you to those that were instrumental in helping achieve this accomplishment and thank you to all the Ohio public institutions of higher education for their assistance throughout this process.
