The Boys & Girls Clubs of Columbus are renovating their Sullivant Teen Center. At this site, a minimum of two (2) College students, per semester, per year will be hired as paid interns to serve as Youth Development Professionals by the Boys and Girls Clubs of Columbus.

The following calculations outline the annual value to the College:

2 students x 1 semester (summer) x \$12/hour x 30/hours week x 10 weeks = \$7200.

Total \$30,240.

Student interns will work with teens, 13 -18 years of age, staffing the drop-in center, and providing programming to the youth. Programming will include Academic/Career Assistance, Character and Leadership, and Healthy Lifestyles. The Center will have flexible, smart classroom space in the facility to assist students in the areas of wellness/fitness, social work, career counseling, youth development, and the arts.
