**Questions for OATN Member Institutional Response and Discussion Fall Meeting 2016**

1. Who is responsible for transfer articulation at your institution?

Admission: \_\_\_\_\_

Registrar: \_\_\_\_\_

Other: \_\_\_\_\_

Comments: \_\_\_\_\_

2. Are transfer course equivalencies housed in your SIS System or in another database?
3. What technologies are used at your institution to support transfer articulation? E.g. outside vendors, subscriptions, workflows, digital resources, etc.
4. Briefly explain if the above technologies are working well or present additional challenges?
5. Do you have institutional or departmental policies that present challenges to the transfer articulation process?
6. Do you have institutional or departmental policies that make a positive difference in the transfer articulation process?
7. Are there ODHE policies that present challenges to the transfer articulation process?
8. Are there ODHE policies that make a positive difference to the transfer articulation process?
9. Do you feel OATN has provided enough technical support in the past to implement new initiatives?
10. What kind of support would you like OATN to provide in the future?
