

### Example of Statistic Sections with Corequisite Layout

\* Statistics lecture only. Students should be placed into this if the student has completed MTH093 with a B or better or ACT score of at least 22 or COMPASS score at least 52 or Accuplacer score at least 55.

\*\* Statistics with Corequisite shell course (comprised of MTH124 and MTH024). Students who need the corequisite (Foundations for Statistics MTH 024) should enroll in the shell course only. Students needs to have completed MTH092 with a B or Better or ACT score between 19 and 21 or COMPASS score between 39 and 51 or Accuplacer score between 40 and 54. MTH124S will show two meeting patterns, one for the lecture and one for the corequisite.

\*\*\* Students enrolled in MTH124S will be administratively placed into both MTH124 and the corresponding MTH024 course after the add period. Note - MTH024 might meet before or after MTH124.

**STUDENTS WITH MAJORS THAT REQUIRE MTH093 AND/OR MTH094 AS PART OF THEIR PROGRAMS SHOULD STILL BE ENROLLED IN MTH093 AND/OR MTH094. THESE MAJORS, MOST NOTABLY, INCLUDE PHYSICAL THERAPIST ASSISTANT AND MEDICAL LABORATORY TECHNOLOGY.**
