

High School Graduation Course Substitution Crosswalk

This information includes general guidelines about college courses that can be substitutions for high school requirements. The list does not include all possible examples of courses. All course substitutions must be nonremedial and nonreligious. Students must earn passing grades in the courses. The required credits noted within this document are the minimum required for high school graduation. Some school districts might have additional credit requirements for graduation. This document describes College Credit Plus as one option for satisfying high school graduation requirements; refer to other Ohio Department of Education guidance for other options (e.g., credit flex, physical education waiver).

High School Requirement	College Credit Plus (CCP) Example Course Substitutions	Other Information
English language arts (4 high school credits)	Courses in literature, composition, journalism, speech, applied communication	Students may use English language arts CCP/Advanced Placement (AP)/International Baccalaureate (IB) courses to satisfy the curriculum requirements but schools must administer the end of course (EOC) tests to students to earn graduation points and to satisfy testing requirements of state and federal law.
Health (1/2 high school credit)	Any health courses	
Mathematics (4 high school credits)	Any math courses	Students must earn one unit of algebra II or the equivalent of algebra II. Students may use math CCP/AP/IB courses to satisfy the curriculum requirements but schools must administer the EOC tests (in algebra I or integrated math I and geometry or integrated math II) to students to earn graduation points and to satisfy testing requirements of state and federal law.
Physical Education (1/2 high school credit)	Not applicable	Pursuant to Ohio Administrative Code 3333-1-65.12, physical education courses are no longer permitted as part of the College Credit Plus program (effective February 15, 2018).
Science (3 high school credits)	Any science courses	Students must earn: <ol style="list-style-type: none"> 1) one unit of physical sciences, 2) one unit of life sciences and 3) one unit of advanced* study in one or more of the following sciences: <ul style="list-style-type: none"> • chemistry, physics or other physical science; • advanced biology or other life science; • astronomy, physical geology or other earth or space science (*Note: A CCP science course does satisfy the advanced study requirement.) Schools must administer the biology EOC test to all students in order to satisfy federal testing requirements. CCP students may use their course grades and AP/IB students may use their test scores OR the biology end-of-course test score to earn graduation points, whichever is higher.

High School Requirement	College Credit Plus (CCP) Example Course Substitutions	Other Information
Social studies (3 high school credits)	<p>Courses in social science, humanities, psychology, western civilization, political science</p> <p>American History substitutions must include the study of history of the Americas or western civilization (i.e., must include U.S. History).</p> <p>American Government substitutions must include the study of the American political system.</p>	<p>For the classes of 2018 and 2019, students must earn credits in American history and American government (one-half credit each).</p> <p>Students completing CCP courses in American History or American Government will not need to sit for the EOC tests in the subject area and may earn graduation points based on the letter grade in the course.</p> <p>For the class of 2021, students must earn one-half credit in world history and civilizations (in addition to American history and American government). World History substitutions must be history courses that include the study of multiple civilizations outside the U.S. with an element of historical examination. Human geography, world issues, world history and other world studies courses may meet the requirement.</p>
Electives (5 high school credits)	<p>Various courses will satisfy elective requirements</p> <p>Foreign language: Any foreign language course (including American Sign Language)</p> <p>Fine Arts: Courses in drama/theater, dance, visual art, or music</p>	<p>Students must earn credit in one or any combination of foreign language, fine arts, business, career-technical education, family and consumer sciences, technology, agricultural education or English language arts, mathematics, science or social studies courses not otherwise required.</p> <p>Students must complete at least two semesters of fine arts taken at any time in grades 7 through 12.</p>
Financial literacy	Various economics, financial, social science, or humanities courses which include the concepts of economics and financial literacy	All students must receive instruction in economics and financial literacy during grades 9-12. Districts must verify that students have received these concepts in a specific course or the district may provide the concepts in an alternative format.
Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED)	CPR/AED courses	Schools must provide training for students in CPR and AED beginning in 2017-2018.

NOTE: Additional updates to this document are planned for fall 2018. Please check for updates regularly.

Secondary school and college representatives should read the entire rule for all Course Eligibility details.
