The Future of Work

65% of today’s school children will eventually be employed in jobs that have yet to be created.
The Future of Work
Rapid Technological Advancement

Forces of Change
- Artificial Intelligence
- Machine Learning
- Psychometric Analytics

Bottlenecks to Automation
- Social IQ
- Creativity
- Autonomous Manipulation
To succeed and remain competitive in the current workforce, students and job seekers must pursue continuous learning opportunities.
Join Ohio in a Statewide Celebration of In-Demand Jobs!
May 7–11, 2018 is In-Demand Jobs Week!

In-Demand Jobs Week is a statewide celebration of jobs, industries and skills that are in-demand in Ohio. The purpose is to help students and job seekers learn and get excited about the careers that are available and in-demand in their communities.

Closing Ohio’s Talent Gap: A Bold Goal

65 percent of Ohioans, ages 25-64, will have a degree, certificate or other postsecondary workforce credential of value in the workplace by 2025.

To succeed and remain competitive in the current workforce, students and job seekers must pursue continuous learning opportunities.
