

More than **52,000** students enrolled

More than **\$110 million** in tuition savings to Ohio families

90 percent of students received at least passing grades and earned college credit

Courses by content area

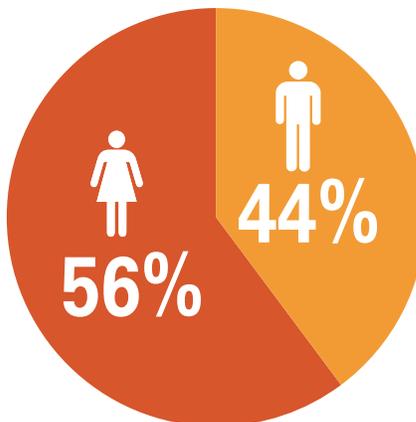

"I get to experience what college classes are like before I graduate high school. You get a feel for the workload and the environment. You have to be dedicated and know what you want. If you have the motivation and determination, it will be the best experience! It was the best decision that I have made."

- High School Senior - East Canton

15%

of Ohio high school juniors and seniors took college classes in first year of CCP

Students by gender

The majority of students took between 1 and 3 college courses
