Re: Credit for Prior Learning and Work Experience (BUS-292)

Dear Admissions & Records Department,

I am writing to request credit equivalency for work experience relevant to my current plan of study. The course being applied for is BUS-292 Business Field Experience III. I feel as though I have met the requirements of this course through the last fourteen years of my personal work experience. Since 2004, roughly 6 months after entering the workforce, I have been in a management role responsible for a multitude of activities including but not limited to:

- Cash Handling/Bank Deposits
- Inventory Management/Cycle Counts
- Loss Prevention/Best Practice Procedures
- Business Advancement & Development
- Employee Scheduling/Payroll Forecasting
- Internal/External Conflict Management
- Federal, State, and Local Payroll Tax Liability Management
- Corporate Tax Preparations
- International Commodity Importing/Exporting

I have now had the opportunity to be a salesperson and store-level manager for a large corporation, upper-level manager for a medium-sized corporation, and lastly the owner/operator of my own start-up enterprise. The education and insights that I have gained while attending COTC have undoubtedly had a positive influence on my successes in the business world so far.

I thank you in advance for your consideration.
