This measure only includes students who inquiry about the college but do not complete any application on first contact. We have students who complete the college application as a point of first contact.</p> <p>The letter series and postcards have been updated on an ongoing basis. Personal phone calls are made to students, who need to complete SOAR (orientation) or placement testing, as needed.</p> <p>From FY2016 to FY 2018, we have seen an increase of approximately 6% in the conversion of new student applications to enrollments and a 3% increase in transfer students. Guest students remains flat.</p> <p>The conversion rate of applicants over the age of 25 is averaging around 60%. This measure was not tracked in our last report.</p>	<p>% yield of inquiries to applications FY17: 55% FY18: 48%</p> <p>% yield of applications to enrollments <b>New Student:</b> FY2017 42% FY2018 43%</p> <p><b>Guest:</b> FY2017 64% FY2018 43%</p> <p><b>Transfer In:</b> FY2017 38% FY2018 39%</p> <p><b>Over 25:</b> (all student types) FY2017 61% FY2018 59%</p>

**Improvement Focus Description:** Increase enrollment through improved communications with students, parents, and stakeholders in the community.

**Improvement Focus Current Status:** 1. Overall enrollment has declined. Local high school class sizes are decreasing. 2. Few students take advantage of prior learning assessment options. 3. Admission Department is stabilizing after experiencing 86% change in personnel. over the past two years. The addition of the Advising Center has also shifted the roles and responsibilities of the recruiters. A focused effort will occur to acclimate faculty and staff to the new structure for onboarding students to NSCC.
