*Less than full-time coursework is charged per credit hour.

**The other fees reported in the Fall Survey include mandatory fees assessed uniformly to all students which meet each of the following criteria: they are in fact mandatory, not included in the general fee, and are charged each term. The latter may include facility fees, technology fees, parking fees, or other mandatory fees.

1. Cleveland State's transportation fee is a "pass-through" fee to the Regional Transit Authority in Cuyahoga County for the student's U-Pass. Cleveland State does not generate any revenue from this fee and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities. By way of a student referendum in April 2015 CSU's Upass fee was increased from \$25.00 per semester to \$30.00 per semester. Cleveland State tuition band changed in FY2016. In FY2015, tuition band was 12-17 credit hours. In FY2016 band is 12-18 credit hours.

2. Off-campus students are billed an additional \$54 per semester for the technology fee. For the 0-11 credit hours: General/Other Fees is \$97 per credit hour and a flat \$60 (facilities fee).

3. Effective Fall 2015, Ohio University was approved to begin a Tuition Guarantee program for new students. Full-time fees are \$5,114; \$660; and \$4482, respectively. Cost per credit hour is \$486; \$61; and \$442 respectively.

4. Shawnee State has a reciprocity agreement with Kentucky such that it considers residents of Mason, Lewis, Boyd, Greenup, Carter, Elliot, Lawrence, Fleming & Rowan counties in Kentucky as qualifying for Ohio resident tuition.

5. Akron offers a reduction to the out-of-state surcharge for academically qualified students. Effective Fall 2008, the University of Akron redesigned a non-mandatory parking fee into a transportation fee that is charged to all full-time students. Since the transportation fee is paid by all full-time students, it appears in the Regent's annual survey as a general fee. The transportation fee, however, is not uniformly assessed to all students and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities.

6. Youngstown State has a separate out-of-state "Affordable Tuition Advantage" surcharge of \$120 for students from its regional service area, which includes select counties in Pennsylvania, New York and West Virginia. Youngstown State has a transportation fee that is charged to all full-time students. Since the transportation fee is paid by all full-time students, it appears in the Regent's annual survey as a general fee. The transportation fee, however, is not uniformly assessed to all students and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities.

The latter may include facility fees, technology fees, parking fees, or other mandatory fees.

NOTE: State community colleges do not have local tax levies to supplement state support and student tuition, and therefore do not have a surcharge for out-of-district students.

1. Cuyahoga charges a \$70 institutional fee to all full-time students registered for 12 or more credit hours per term. Since the technology fee is paid by all full-time students, it appears in the Regent's annual survey as a general fee, however, is not uniformly assessed to all students and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities.

2. Edison's General/Other Fees include \$1/credit hour Activity Fee and \$5/credit hour Tech Fee.

3. Rio Grande Community College does not accept out-of-state students. Out-of-state students may be admitted to the University of Rio Grande, a private institution with which the community college is affiliated. In addition, Rio Grande charges a \$225 technology fee to all full-time students registered for 6 or more credit hours per term. Since the technology fee is paid by all full-time students, it appears in the Regent's annual survey as a general fee, however, is not uniformly assessed to all students and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities.

4. Terra State implemented goal oriented tuition program for Spring semester 2015 which increased lower tuition per credit hour to \$179 and developed flat rate between 12 and 15 semester hours.

5. Washington State charges a \$75 Campus Access & Safety fee to all full-time students registered for 12 or more credit hours per term. Since the technology fee is paid by all full-time students, it appears in the Regent's annual survey as a general fee, however, is not uniformly assessed to all students and therefore not subject to the legislative mandate restricting (instructional and general) fee increases at Ohio's public colleges and universities. For students enrolled 1-14 hours there is an additional \$40/semester fee.
