Ohio Educator Preparation Provider Performance Report

Walsh University

Institution Profile

(Data Source: Walsh University)

As an independent, Catholic university, we encourage individuals to act in accordance with reason guided by the example and teachings of Jesus Christ. Our aim is to develop students' mind, body and spirit - this is Walsh's distinguished tradition and the heart of its appeal.

Division of Education

Guided by the vision of the Brothers of Christian Instruction, the Division of Education develops educators who serve all learners with a willing spirit in a global society. The Unit's vision is coherent with the "theology of education" of the Brothers of Christian Instruction—a calling to educate the whole person for the common good, to make special effort to reach those who might not have the chance, and to strive to be models of virtue—practical, intellectual, moral, and spiritual. The Unit offers undergraduate, post-bac, and graduate level degree programs. www.walsh.edu

**Ohio Teacher Evaluation System (OTES) Results for Ohio Teachers Prepared by an
Ohio Educator Preparation Provider at Walsh University**

Reporting Period from Sept 1, 2014 to Aug 31, 2015
(Data Source: Ohio Department of Education)

Description of Data:

February 2016 Note: Ohio Teacher Evaluation System results for the 2015 Report are not yet available. Revised Educator Preparation Performance Reports will be published when these data become available.

Ohio's system for evaluating teachers (Ohio's Teacher Evaluation System) provides educators with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement. The system is research-based and designed to be transparent, fair, and adaptable to the specific contexts of Ohio's school districts. Furthermore, it builds on what educators know about the importance of ongoing assessment and feedback as a powerful vehicle to support improved practice. Teacher performance and student academic growth are the two key components of Ohio's evaluation system.

Limitations of the Ohio Teacher Evaluation System (OTES) Data:

1. The information in the report is for those individuals receiving their licenses with effective years of 2011, 2012, 2013, and 2014.
2. The teacher evaluation data in this report are provided by the Ohio Department of Education.
3. Due to Ohio law, results must be masked for institutions with fewer than 10 completers with OTES data.

Description of Data:

February 2016 Note: Ohio Principal Evaluation System results for the 2015 Report are not yet available. Revised Educator Preparation Performance Reports will be published when these data become available.

Ohio's system for evaluating principals (Ohio's Principal Evaluation System) provides building leaders with a detail view of their performance, with a focus on specific strengths and opportunities for improvement.

The Ohio Principal Evaluation System (OPES) data reported here are limited in that the information in the report is for those individuals receiving their licenses with effective years of 2011, 2012, 2013, and 2014.

Field and Clinical Experiences for Candidates at Walsh University

Reporting Period from Sept 1, 2014 to Aug 31, 2015
(Data Source: Walsh University)

Description of Data:

Ohio requires that educator candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements beyond the requisite statewide minimums for these placements vary by institution and by program. The information below is calculated based on data reported by Ohio Educator Preparation Providers.

Teacher Preparation Programs	
Field/Clinical Experience Element	Requirements
Require edTPA National Scoring from candidates in teacher preparation programs at the institution	Y
Minimum number of field/clinical hours required of candidates in teacher preparation programs at the institution	106
Maximum number of field/clinical hours required of candidates in teacher preparation programs at the institution	269
Average number of weeks required to teach full-time within the student teaching experience at the institution	14
Percentage of teacher candidates who satisfactorily completed student teaching	100%

Ohio Educator Licensure Examination Pass Rates at Walsh University

Reporting Period from Sept 1, 2013 to Aug 31, 2014
(Data Source: USDOE Title II Report)

Description of Data:

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely for initial licenses.

Further, because the data are gathered from the Title II reports, there is a one year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the reporting year 2014-2015.

2015 Ohio Educator Preparation Provider Performance Report Walsh University

Value-Added Data for Students Taught by Teachers Prepared by Ohio Educator Preparation Providers at Walsh University

Reporting Period from Sept 1, 2014 to Aug 31, 2015

Description of Data:

February 2016 Note: Value-Added results for the 2015 Report are not yet available. Revised Educator Preparation Performance Reports will be published when these data become available.

Ohio's value-added data system provides information on student academic gains. As a vital component of Ohio's accountability system, districts and educators have access to an extensive array of diagnostic data through the Education Value-Added Assessment System (EVAAS). Schools can demonstrate through value-added data that many of their students are achieving significant progress. Student growth measures also provide students and parents with evidence of the impact of their efforts. Educators and schools further use value-added data to inform instructional practices.

Limitations of the Value-Added Data:

1. The information in the report is for those individuals receiving their licenses with effective years of, 2011, 2012, 2013, and 2014.
2. The value-added data in this report are those reported by Ohio's Education Value-Added Assessment System (EVAAS) based on reading and mathematics achievement tests in grades 4-8.
3. For Educator Preparation Providers with fewer than 10 linked teachers or principals with value-added data, only the number (N) is reported.

Pre-Service Teacher Survey Results

Reporting Period from Sept 1, 2014 to Aug 31, 2015

Description of Data:

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio candidates receive an invitation to complete the survey during their professional internship (student teaching). The results of this survey are reflected here. A total of 4,055 respondents completed the survey statewide for a response rate of 70 percent.

National Accreditation Status

Reporting Period from Sept 1, 2014 to Aug 31, 2015
(Data Source: Ohio Department of Higher Education)

Description of Data:

All educator preparation programs (EPPs) in Ohio are required to be accredited by either the National Council for Accreditation of Teacher Education (NCATE), the Teacher Education Accreditation Council (TEAC), or their successor agency, the Council for Accreditation of Educator Preparation (CAEP). Accreditation is a mechanism to ensure the quality of an institution and its programs. The accreditation of an institution and/or program helps employers evaluate the professional preparation of job applicants.

Excellence and Innovation Initiatives

Reporting Period from Sept 1, 2014 to Aug 31, 2015
(Data Source: Walsh University)

Description of Data:

This section reflects self-reported information from Ohio Educator Preparation Providers on a maximum of three initiatives geared to increase excellence and support innovation in the preparation of Ohio educators.

Teacher Preparation Programs

Initiative:	Grant Award The Diversity and Sustainability Grant
Purpose:	To provide financial support for sustainable continuation of diversity initiatives for unit faculty, staff, and candidates through financing a resource library and development of training materials
Goal:	Finance continuation of Unit's Diversity Plan implementation for candidate preparation and expansion of Diversity Workshop resources for unit faculty and staff members.
Number of Participants:	62
Strategy:	The grant proposal was written to request funding for a sustainable Diversity Library and training materials for unit's faculty, staff and candidate workshops. Upon receipt of the award, the library's resources were purchased and set up in the education building. Purchases included audio and video resources, books, and guided instructional resources. Resources purchased through the grant are intended to be used by faculty to generate diversity conversations in individual courses with hopes of threading content and opportunity throughout the undergraduate curricula in the division, paving a way for conversation and dedication to transformative learning. Two minority students became facilitators based on their personal experiences and previous experience of attending a workshop. They were included in this year's sessions through the addition of "A Diversity Panel: A Teacher Candidate Panel". The university's Diversity Coordinator attended this year's initial session and is going to continue to support and assist the unit in these initiatives.
Demonstration of Impact:	Collection of data in process from pre- and post-assessment reflections
External Recognition:	Association of Ohio Independent Colleges Grant Award
Programs:	NA
Initiative:	Canton City Schools Initiative
Purpose:	a) Increased engagement of unit faculty and candidates with minority students b) Recruit Canton City Early College High School (ECHS) students for Walsh University educator preparation or related prog
Goal:	Develop formal partnership that includes increased field experience, service learning, and clinical practice placements and college preparation assistance in Canton Early College High School.
Number of Participants:	53
Strategy:	Walsh's Provost and Academic Vice President, with the unit's leadership, scheduled a series of meetings with Canton City Schools' Superintendent and leadership team to discuss opportunities for increased collaboration, recruitment opportunities for Walsh educator prep programs and other majors, increased engagement of unit faculty and candidates with minority AYA level students through field experience, service learning initiatives, and clinical practice. The unit's Community Liaison reviewed OGT scores and identified that Canton City Schools had the lowest pass rate in the county while the pass rate for the ECHS was 87%. She reached out to Canton City leadership to determine a) how we can provide assistance to those who did not pass and b) promote our institution's educator preparation program for those Early College High School students interested in teaching careers as well as other majors across our campus. A group of 33 ECHS students visited Walsh and met with education faculty to discuss teaching careers as well as other career options. Walsh provided study skill and content-based materials for ECHS staff. Continued collaboration is ongoing.
