**Annual Survey of Tuition and Fees**

**October 2018**

Definitions and Notes

The category General/Other fees reported in the Fall Survey include mandatory fees charged to full-time students which meet each of the following criteria: they are in fact mandatory, are not included in the general fee, and are charged each term. The latter may include facility fees, career services fees, technology fees, parking fees, or other mandatory fees.

Residence Hall Fees: Most institutions offer a variety of room and board plans. The amount shown represents a typical or most popular plan.

Less than full-time coursework is typically charged per credit hour but this varies by institution.

The part-time per credit hour rates reflected in the survey may not be the uniform credit hour rate charged to all part-time students. For example, flat or variable fees assessed based on credit hour thresholds may not be reflected in the per credit hour rates listed.

For details and more explanations of each institution's tuition and fees, please visit the institution's website and search for 'Tuition.'
