

**Mathematics Initiative Subgroup 4 Meeting**  
**Ohio Higher Education Mathematics Initiative**

November 7, 2014  
Ohio Board of Regents, 7<sup>th</sup> floor  
10:00 am – 2:00 pm

**Agenda**

- Introductions and Charge
  - Chairpersons/Leads:  
Krista Maxson—Shawnee State University  
Richard Uchida—Sinclair Community College
  - Charge: Develop quality measures for improving student success in mathematics; then collect, analyze and share relevant data.
- Data submitted to Board of Regents and Reports
  - What can we learn from HEI data? What might we be able to know in the future?
- Data at the local level and reports
  - Discussion from campus representatives on what kind of data they might be able to produce using data from their own institutions.
- What is missing and what is feasible to collect for other reports?
- Next Steps
