Subject: Invitation to the Ohio Student Success Summit: Defining Mathematics Practices and Pathways

Dear Barry Schieferstein,

You are invited to participate in the ***Ohio Student Success Summit: Defining Mathematics Practices and Pathways***, on Friday, April 24, 2015 from 9 a.m. to 4 p.m. at the Greater Columbus Convention Center.

The Summit will bring together college, university, and high school mathematics faculty along with counselors, advisors, and institutional leaders to develop a shared vision to improve student success in mathematics throughout high school and college.

Please coordinate the response efforts for your University System of Ohio institution by designating a lead person, e.g. chairperson, to [Click here for the event summary](#) and register. We ask that the lead person also provide the names of your institution's Summit team members, inclusive of college/university mathematics faculty, high school mathematics faculty, counselors/advisors, and institutional leaders. We are requesting that each University System of Ohio college/university bring a team of four to 10 members to the Summit. Please enter the names, and email addresses, of the team members during the registration process along with a message from the lead person indicating their recommendation of attendance. The team members will receive a separate registration email with a unique link to sign up. **The registration link above will not work for your team members.**

If you have questions, please contact Rebecca Watts at 614-466-0884 or by email at rwatts@regents.state.oh.us. We look forward to seeing you on April 24, 2015.

Sincerely,
Rebecca Watts
