

Subgroup Co-Leads Meeting Summary

Meeting Date: Wednesday - December 10, 2014

Meeting Time: 10:00 a.m. - 2:00 p.m.

Meeting Location (WebEx, OBR, etc.): OBR, Conference Room B-004

Subgroup Decisions/Meeting Outcomes:

Each Subgroup provided a status update. Subgroup 2 provided a rather detailed update (provided by Ricardo Moena via PowerPoint) which resulted in a final revision to the definition of a college-level Mathematics course and an update of other OTM revisions. Subgroup 3 shared that they plan to have David Meel provide a recorded version of his initiative overview presentation for distribution/posting and also indicated that a sepaaker request form will be posted to the website.

The Subgroup Co-Leads reviewed and revised the Chairs/Leads Network meeting agenda for January 23, 2015 and discussed how best to provide updates.

Subgroup Homework/Follow-Up (if any):

Each Subgroup should plan to submit 3 PowerPoint slides to Leah Dickinson by Friday, January 16 for compilation and use during the January 23 meeting. These slides will also be provided to meeting attendees on January 23 in handout form.
