Meeting Location (WebEx, OBR, etc.): OBR Main Conference Room 7-001

Subgroup Decisions/Meeting Outcomes:

1. This was the first meeting of Subgroup three: Communication, Outreach, and Engagement. The meeting started with introductions of all the group members.
2. Ms. Michelle Younker, Co-Chair of Subgroup 3, provided a PowerPoint presentation to introduce and update the subgroup members on the work of the Ohio Mathematics Initiative from the Steering Committee, to the formation of the Chairs/Leads Network, and the creation of the subgroups. She also provided information on the national perspective.
3. Dr. Paul Hewitt and Ms. Younker led a discussion on the Subgroup's charge and goals.
4. The Subgroup members continued in small groups to refine goals and establish a timeline for their work.
5. During the report out a plan was created to provide presentations about the Ohio Mathematics Initiative during meetings and conferences of relevant professional organizations for the next two years.
 - a. The subgroup developed a list of applicable organizations in Ohio and nationally.

Subgroup Homework/Follow-Up (if any):

1. Ms. Younker will provide the subgroup with the PowerPoint from the meeting, and a longer version of the PowerPoint with additional slides.
2. Ms. Michelle Blaney, OBR Liaison, will work with the subgroup to determine availability for spring conference calls.
