

## Military Veterans Wanted! Scholarship Funds Available

Are you a military veteran interested starting a career in Ohio's growing oil and gas industry? America's Natural Gas Alliance (ANGA) is partnering with ShaleNET to provide full scholarships for qualifying Ohio veterans interested in this exciting growth industry. ANGA will provide full scholarship funding for veterans to receive training to become a Roustabout, Welder's Helper or Floor Hand.

**Scholarships are limited, so register now!**

To qualify, veterans must meet the following requirements:

- Provide DD Form 214
- Possess a valid driver's license
- Pass a criminal background check
- Pass a drug test
- Pass a physical fitness test

To register for ShaleNET training, go to [www.shalenet.org](http://www.shalenet.org) to complete the "Talent Match" process and begin your exciting new career in the oil and gas industry.

ShaleNET training classes are offered at the following locations:

- Stark State College in Canton
- Eastern Gateway Community College in Steubenville

For more information, please contact one of the following ShaleNET experts:
