

ACE Faculty Evaluators

HIGH FOCUS AREAS

We need faculty from all disciplines, but we are conducting more reviews in the following fields:

- Math
- Electronic Circuits
- Bioelectricity
- Foreign language (Arabic, Urdu, Tajiki, Farsi)
- Homeland Security
- Information Security
- Intelligence
- Logistics and Supply
- Nursing
- Medical
- Ordnance and Munitions

THE ACE REVIEW TEAM

- Conducts reviews of corporate and military training courses and military occupations.
- Consists of teaching faculty from relevant academic disciplines.
- Serves as Subject Matter Experts in the field under review.
- Assesses and validates whether courses or occupations have appropriate content, scope, and rigor for college credit recommendations.

BECOME AN ACE FACULTY EVALUATOR

We invite you to join our pool of faculty evaluators if you:

- Are actively teaching college-level courses at an accredited institution.
- Have a minimum of five years teaching experience.
- Are interested in reviewing formal learning experiences in extra-institutional settings for possible academic credit.

To apply, please complete the Evaluator Response Form and attach your current curriculum vitae (CV): www.acenet.edu/evaluatorform .
