* - additional course equivalents and hours are recommended in other areas by ACE; however, no transfer guarantees currently exist in those areas. This credit may still be awarded.

This MTAG guarantee is awarding credit based on the service members' completion of the NREMT certification as part of their military training.

Those students seeking to pursue further EMS/Paramedic Programs will need to have a current NREMT card.

Completion/current status of the NREMT can be verified at <https://www.nremt.org/nremt/about/checkEMTStatus.asp>

Additional information about Ohio's EMS certifications for military members and spouses can be found at

Thank you to those involved in this process for their dedication and support.
