Facebook: [www.facebook.com/osuvets4vets](http://www.facebook.com/osuvets4vets)

Twitter: @OSUVets4Vets

Vets 4Vets is the largest and most diverse Student Veteran Organization at The Ohio State University welcoming both military members from the US Armed Forces, her allies, and non-military members. We work hand in hand with the Military and Veteran Services offices, Veteran Ambassadors located throughout the University, business looking to employ Veterans, and the local and campus communities to spread awareness of the stresses and troubles faced by many service members returning to college.

Vets 4 Vets is open to anyone interested in becoming a member, whether you have served or not. If you want to get involved with some of the best people you will ever meet, people that have lived and learned and willing to teach and help you, this is the organization for you.

To become a member, fill out the Membership form and return it with your membership dues of \$20 at our first meeting on September 4<sup>th</sup> at 6:30 pm in Knowlton room 109.

If you have any questions feel free to email us or hit us up on facebook or twitter.
