Data Source: Ohio Department of Job and Family Services, 2016.
Summarized by MTC.

Process Overview

Setting Up the Wage Match

1. Determine purpose and timeframe of project
2. Designate authorized signatory
3. Designate “keepers of the data”
4. **Confidentiality is paramount**
5. Contact JFS
6. Request is reviewed by a panel at JFS
7. Decision generally within 14 days
8. Contracts valid for two years; then renewable

Setting Up the Wage Match

Terry L. Adams

UIO Internal Security Manager

 - \$650 minimum cost per data request

Integrate with Institutional Data

Timing of Data Request

Request data 15-30 days after filing deadline!

JFS Data File

Questions We Can Answer

What is the difference in wages between grads and non-grads?

How many graduates work in Ohio?

Who is employing our graduates?

Does participating in a co-op make a difference in earnings?

Where are our graduates working?

Questions We Cannot Answer

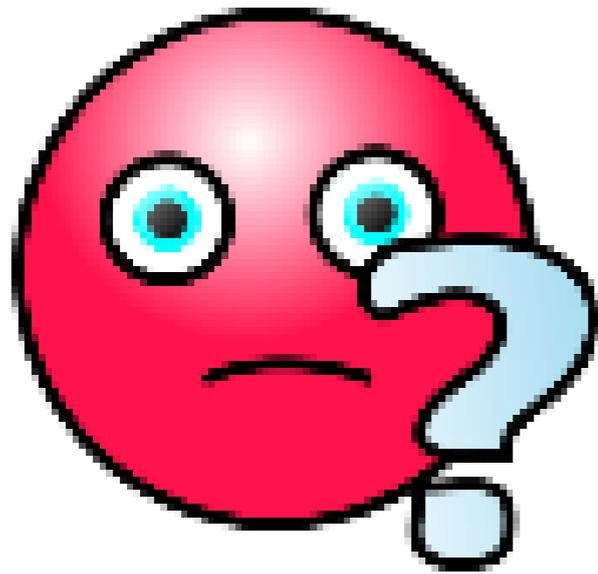

How are our out-of-state students performing?

Are graduates employed in their field?

What is the hourly wage of our graduates?

Are our graduates satisfied with the education we provided?

Are employers satisfied with the education our graduates received?
