Mentor Connection at NSCC

- Need some support in a science, technology, engineering or math class?
- Interested in learning more about career opportunities in these fields?
- Just want to talk to someone who’s been there and done that?

Visit the Mentor Connection in McDougle Center (inside the NSCC Library). Campbell Soup Co. engineer, Kathleen Sworden, will be available to answer questions and provide guidance.

Mentor Connection Luncheon
Thursday, April 14
Room H104
RSVP to 419.267.1335, mrupp@northweststate.edu
or stop by H109F
